CUSTOMER: Rabobank International UK

CONTACT: Doug Carr

PROJECT DATES: Various projects since 2010

PROJECT VALUES: Varying from small works up to £150,000 project

PROJECT DETAILS:

The London branch of Rabobank is one of the oldest branches in the Rabobank International network and supports customers in the areas of corporate finance, corporate banking and global financial markets.

Prestige have been working with the bank at their London branch for the past 7 years.

Our works have included:-

- Design and installation of a new lighting scheme in their large comms room
- Installation of a new lighting system in the car park
- Design and installation of a new lighting system in the board room and dining room
- Installation of a new indirect lighting scheme for the atrium area
- Changing of 12 obsolete ACB's
- Replacing all of Rabobank's distribution boards raw mains, UPS and essential boards
- Fitting out of the South Lounge entertaining area and meeting rooms incorporating a new lighting system
- Installation of new power for roof cradles
- Installation of a new video wall

The projects vary in size from small works under £5,000 to larger projects up to £150,000.
